

Yardi Romania Scholarship Program, 2017

To recognize and reward students with exceptional academic results and professional achievements, for the 4th year in a row, Yardi Romania is offering 15 scholarships, each worth 1,000 EUR.

Eligibility Criteria

To be considered for a scholarship students must be enrolled full-time in a **BA** (2nd, 3rd, 4th year), **MA** or **PhD** program at one of the following faculties of a state university within Cluj-Napoca.

Babes – Bolyai University:

- Faculty of Mathematics and Informatics
- Faculty of Economic Sciences and Business Administration
- Faculty of Political, Administrative and Communication Sciences
- Faculty of Letters
- Faculty of Business
- Faculty of European Studies

Technical University of Cluj-Napoca:

- Faculty of Automation and Computer Science
- Faculty of Electronics, Telecommunications and Information Technology

What Is Rewarded

1. High academic achievements;
2. Extracurricular projects that contribute to the professional field.

Successful candidates will be awarded with a scholarship of 1,000 EUR total, received in monthly batches, over a period of 9 months.

How to Apply

Step 1: Fill us in

Tell us about your achievements and projects you're proud of by submitting the following documents to scholarships-cluj@yardi.com

- Your CV with a short description of your extracurricular projects;
- Your academic transcript for university year 2016 – 2017 (Foaia Matricola or a print screen of your grades);
- A recommendation letter from one of your professors in English or Romanian.

Step 2: Let's meet

Finalists will be invited to our headquarters in Cluj-Napoca to tell us more about their extracurricular projects.

Application deadline is open **until November 8, 2017**.

This scholarship is meant to encourage students to pursue their studies and contribute to the professional field they are passionate about. We do not ask students to work at Yardi Romania in exchange for this scholarship.
