

The Online International Winter School TUCN 2021

The Technical University of Cluj-Napoca is launching the course proposal competition of the "Online International Winter School TUCN 2021"!

We welcome submissions from faculty and researchers interested in providing a one week or two weeks course in their field of expertise. All topics and themes are welcome for submission.

<https://sway.office.com/DAFByyMcZHd1FHw3?ref=Link>

The deadline for the course proposal is September 20th, 2021 .
The winter school will take place online, between December 6th-17th, 2021.
