

Stage 2 of the Users' International Challenge (UIC) is Now Open!

Dear Participants,

We are thrilled to announce the launch of **Stage 2** of the **Users' International Challenge (UIC)**! This is your opportunity to contribute to the creation of **high-quality Open Educational Resources (OERs) for Mathematics**, gain international recognition, and **win exciting prizes!** 🎁

Key Details:

- 📅 **Deadline:** Submit your entry by **March 28, 2025 (UTC+2)**
- 🏆 **Prizes:** Amazon Gift Cards (€250/€150/€100) for the top submissions!
- 🔗 **Participation link:** <https://forms.gle/PsqfX4neTCfWNsBMA>

We welcome **educators, students, researchers, and anyone passionate about Mathematics** to share their **interactive exercises, video tutorials, digital modules, and other innovative learning materials**. Accepted submissions will be featured in the **Gate2Math Smart Library**, benefiting educators and learners worldwide.

Don't miss your chance to be part of this **global educational initiative** and be rewarded for your creativity! 🌍

For full competition details, visit: <https://gate2math.eu/user-international-challenge-uic/>

Looking forward to your contributions!

Best regards,
Gate2Math Project Team
