

You want to have a 2 month paid internship and then start your career?

Great, then your search is complete!

We expect you to work with commitment, creativity, reliability as well as curiosity to learn more on trends and technologies.

You are a perfect fit if:

- ✓ you studied and graduated Technical University or you are in your final year of study
- ✓ you want to discover what is really behind SAP and become an ABAP Developer or SAP BI/BW Consultant at [Q_Perior](https://www.q-perior.com)

Hard facts:

- ✓ Start date of the internship: September 1st
- ✓ Duration: 6 weeks
- ✓ Schedule: 4 – 6 hours per day (we offer flexibility)
- ✓ Type: Paid internship
- ✓ What you will learn: everything about SAP BI/BW, ABAP Development, Data Modelling, Data Analytics, Project work and many other cool stuff

Please send us your CV at: recruiting@q-perior.com
