

*'DISCERN, International Journal of Design for Social Change,
Sustainable Innovation and Entrepreneurship'*

DISCERN is inviting researchers, academics, professionals, practitioners, and postgraduate students to submit original articles in the broad areas of design for social change, sustainable innovation, social entrepreneurship, and the circular economy. We welcome articles (conceptual, theoretical, and empirical), review pieces, case studies, short reports, works in progress, book and literature reviews and discussion articles and dialogues.

The deadline for submissions is 28th March 2022. All submissions will be blind peer-reviewed by members of the journal's Advisory Board and will be approved without revisions, approved with revisions, or not accepted for publication.

Information about the journal, the author guidelines and the submission process is available in the section 'Submissions'. We are also inviting reviewers to assist with the peer-review process. You will need to register with the journal online and choose the 'Reviewer' option.
